

W D B S

October 31, 1949.

Mr. William Brooks
Director of Sports
Radio Station W D B S
Hanover, N.H.

Dear Bill:

I'd just like to express my appreciation for the excellent broadcast with which you provided us. The comment from various members of W Y B C and the general student body has been nothing but favorable.

I can see from the amount of editing on your tape that was done that a considerable amount of time was spent in preparing your broadcast. My thanks to you, Johnny, Dick, and all others concerned for your work.

I am now corresponding with Dick Wagner and Charlie Wulfinf at W P R U, and we seem to be making some headway towards the continuation of this series. I hope they are as much on the ball as W D B S seems to be.

I was disappointed that I didn't run into anyone from W D B S all weekend down here, but that could be more or less expected with the usual rat-race which accompanies the better football weekends.

The best of luck to you in your dealings with Princeton and Harvard. I think they might need a bit of a boot in the butt, but something can probably be worked out.

Cordially yours,

Howard Eaton, Jr.
Ass't. Program Director
